# ESD Anti Static Wrist Strap Band with Grounding Wire

*StarTech ID: SWS100*

This durable ESD anti-static wrist strap helps you protect your valuable computer equipment from dangerous static electricity. The wrist strap/grounding bracelet offers hassle-free electrostatic grounding, allowing you to work freely on your computer without having to worry about static build-up, which could potentially damage computer components.

Designed and constructed to exceed IBM and US military static control standards, the grounding bracelet/ESD wrist strap is made from the highest quality static dissipative material to ensure the safe operation of your equipment.

This product is backed by StarTech.com's Lifetime Warranty.

**Features**

- Protect sensitive equipment from static damage
- Top technical specifications-exceeds IBM & US military static control standards
- Highest quality static dissipative material-not the ineffective conductive system
- Rubber back-lies flat
- Elastic wristband
- Includes 6 ft. (1.8m) grounding cord
- Perfect for service applications
